1. I write to you regarding the above appeal on behalf of the Green Connection ("GC"), an eco-justice organisation committed to ensuring that development takes place within a commonly understood framework of sustainability.
2. I confirm that the Green Connection and Natural Justice are working co-operatively on various appeals and that Ms Melissa Groenink-Groves and/ or Mr David Mtshali from Natural Justice are authorised to submit appeals on behalf of GC.
3. In the case that an appeal is submitted jointly, the cover letter will be signed by an authorised representative of GC, in this case Ms Priyanka Naidoo, confirming the above. Please accept this letter as confirmation that the Searcher Appeal was jointly submitted with the requisite authority.
